

Suggested Packing List

Clothes

- Raincoat
- 1 fleece jacket or sweat shirt
- Three sets of hunting clothes, khaki or camo (NO camo when hunting Zimbabwe)
- A thick jacket or wind breaker, as it gets cold during winter mornings and evenings
- Two pairs of well-worn and comfortable walking boots with thick socks
- 2 pairs of shorts
- 2 pairs of long-sleeved shirts
- 2 pairs of short-sleeved shirts
- Light pyjamas, a tracksuit or sweater
- A good wide-brimmed hat
- Sunglasses
- Gloves
- Other everyday items

Toiletries & medication

- Odourless sunscreen with a minimum SPF of 20
- Personal medication
- Personal toiletries
- Talcum powder
- Eye drops
- If hunting during our summer months (September-April), insect repellent is advised
- Anti-malaria medication (if applicable), prescription drugs
- The camp is well equipped with a good first aid kit which include headache tablets, diarrhoea medication but we would still suggest that you bring any medication you think you may need.**

Equipment

- Rifle and cleaning equipment (no semi-automatic rifles are allowed into the country)
- Ammunition
- Ammo belt
- Binoculars
- A good camera and enough film/memory sticks
- Camcorders are welcome and remember battery recharge equipment
- Batteries for electronic equipment
- Step-down converter (220-110 volt)
- Some people like to keep a diary of the daily events, so bring it along

Documentation

- Travel documentation and import documentation for firearms.
- Please carry all documentation on your person.

We advise you to carry any expensive items such as cameras and other electronic equipment, as well as all required documents as hand luggage.
